RE : **CROSS CULTURE MISSION TRIPS 2011**

Greetings of Peace!

Every year, our community is blessed in our evangelization that becomes evident not just in numbers but in testimonies from many youth whose lives have been changed and touched by the Lord. This year, we hope to continue this journey for our ministry as we further seek to develop our mission by creating different strategies to expand our capacity to empower and evangelize.

One major strategy instrumental to our evangelization is our short-term mission trips, both local and international. Our short-term international mission trip, known as **YFC CROSS CULTURE** aims to bring out the missionary spirit in every youth by creating opportunities for them to share Jesus to youth in different nations and culture. By sending mission teams, we also help our ministry further our work by bringing support to areas where empowerment and/or sustainability is needed.

It is in this light that we would like to encourage your area to create opportunities as such by either:

- a. sending a mission team/s to a nearby area, or
- b. receiving a mission team/s from the Philippines or from a nearby area.

Please help us facilitate proper communication for sending/receiving countries by confirming your intent to receive or to send a mission team. For those who would prefer to receive mission team/s coming from the Philippines, the most probable time is during summer (school vacation), from May to early June 2011 (please indicate specific dates). However, we do not wish to box the opportunities for every country so if your area intends either to receive or to send a mission team, please indicate your preferred date for the mission trip. We will be sending a follow-up memo indicating confirmed receiving areas for mission trips.

We hope to hear from your area as soon as possible so we may start gathering teams from the Philippines and from different areas to help bring Christ to the ends of the earth. Should you have further inquiries, you may contact Dessie Brazil, our YFC International Missions Admin and send email through dessiebrazil@gmail.com.

Together, let us continue to unify our efforts to bring all youth to Christ.

We remain your servants in Christ,

Lawrence J. Quintero
